## Am I Really Saving?

In the long run if you attend a number of Florence Athletic events you will. Let's take a look at if you have a student athlete on the Women's Volleyball Team;

Total Number of Home Games for the 2024 Fall Season= 8

Cost if you and a friend/spouse attend at \$7 per adult = \$14 per game

Cost if you both attend all 8 of those home games = \$112

Cost of a two member Family Athletic Pass = \$90

Savings if you attend all 9 of those games = \$22

Now imagine if this student-athlete also competes in soccer and softball? The Family Athletic Pass is good for the full school year and would get you into all those home games as well, without paying that \$14 each game.
