

Skyline Ranch K-8 Pick-Up & Drop-Off Procedures

STUDENT SAFETY ALWAYS TAKES PRIORITY

While we will always do our best to implement procedures that promote convenience for our parents, SAFETY of students is our number one priority.

Morning Drop Off: Car Drop-Off of Students

- In front of the school cars may drop off students using the fire lane.
- Cars may NOT park in the fire lane at any time during drop off, after school, or during the school day.
- Parents bringing their students late MUST park in a designated parking space and walk in to sign their student in.
- Parents should NOT park across the street from the school and allow their students to walk across the street. ONLY cross at designated crosswalks.
- Parents should NOT enter the campus via the back gate. The back gate is designated for buses only. Cars entering the back gate presents a huge safety risk and is not permitted.

Walkers/Bikers

- Students walking to school should ALWAYS use the crosswalks to cross the streets.

WARNING: Please do NOT have your student arrive before 7:40 am. We do not have staff present to supervise before that time.

After School Pick-Up: Bus Riders

- Students will line up in the main hallway and walk to the buses as usual. If there is a delay in bus departure, the school will auto dial parents to inform them of the delay.

Car Pick-up: Students

Parents will line up in front of the school in the fire lane.

- DO NOT park near the gate where the buses exit. If you park there you will be asked to move.
- Parents entering the parking lot MUST park their car, or circle the lot until a parking space opens.
- Stopping in the parking lot is NOT permitted and parents will be asked to either park, or circle the lot.
- Stopping in the parking lot holds up traffic and slows down the pick-up process for all parents.

Walkers/Bikers

- ALWAYS use the crosswalks when crossing the streets. Students will NOT be permitted to cross the street when there is no crosswalk. Bike riders should always yield to walkers.
