## **FHS Athletic Attendance Culture**

### **Florence High School Athletic Department Attendance Policy**

FHS Student Athletes are expected to attend every practice and competition the entire season. The FHS Athletic Department has implemented the following attendance policy for ALL athletic programs at Florence High School:

- 1st Unexcused Absence – Athlete will sit 10% of athletic contests
- 2nd Unexcused Absence – Athlete will be removed from the team. Athlete will not be allowed to participate in other sports until their current season is complete.

Only documented excused absences will allow an athlete to miss practice or a competition. All excused absences must be accompanied with documentation of excuse.

Documented Excused Absences are defined as:

- Bereavement – Announcement of funeral
- Medical Emergency – Doctor's or Urgent Care's note
- Court Date – Notification of court. Court dates need to be communicated right away to coaches.
- COVID – Documentation of positive test.

*(One (1) Excused Absence without Documentation (call in by parent only) that falls under the above-mentioned guidelines will be allowed during the season. All other excused absences must have documentation of excuse.)*
