

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [azblue.com/member](http://azblue.com/member) or call 1-844-817-4115. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [healthcare.gov/sbc-glossary](http://healthcare.gov/sbc-glossary) or by calling 1-844-817-4115 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	<p><u>In-network providers</u>:                      \$500/member,                      \$1,000/member +1, and                      \$1,500/member +2 or more</p> <p><u>Out-of-network providers</u>:                      \$1,000/member,                      \$2,000/member +1, and                      \$3,000/member +2 or more</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>. Unless a <u>copay</u>, fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 20% <u>in-network</u> and 50% <u>out-of-network</u>.</p>
Are there services covered before you meet your deductible?	Yes. Certain <u>in-network preventive</u> services.	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	<p><u>In-network providers</u>: \$4,500/member and \$9,000/family</p> <p><u>Out-of-network providers</u>: <b>Not applicable</b></p>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, <u>out-of-network precertification</u> charges, <u>balance-bills</u> , and costs for health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why this Matters:
Will you pay less if you use an <u>in-network provider</u> ?	Yes. See <a href="http://www.azblue.com">www.azblue.com</a> or call 1-844-817-4115 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
