

Affordable, personal legal plans

Employees need help when they navigate important moments in their lives — like buying a home or creating a will. When they don't have easy access to that help, it can result in reduced productivity at work. By offering employees access to professional legal services from Hyatt Legal Plans, a MetLife company, they'll have peace of mind knowing that there are no out-of-pocket costs for in-network attorneys... and the right attorney may be closer than they think.
